

SHELL COFFEE TABLE

w/Glass, Ming SS Legs

We've taken natural mollusk shells and layered them on the top of the Shell Small Coffee Table, then surrounded them with a grey wood frame. The shell coffee table has great depth and dimension because of this treatment, and though it has a natural organic feel, it also swings into the classical modern category with its Ming-inspired stainless-steel legs. We offer this style in a larger size, each of which personifies our ethos of modern organic.
