

## HAND DIPPED PEARS SET OF 3

Gold Leaf

These decorative sculptures not only shine, but they will also bring a hint of whimsy to a space thanks to their profiles that seem to be frozen in dance. There are three of Hand-Dipped Gold Pears in this set, each of which is made of composite in a bright gold leaf finish. The contemporary lines and unusual slant reflect the Phillips Collection ethos, which we call modern organic. We offer these decorative accessories in several finishes.
