

## FASHION FACES WALL ART

Small, Black and Gold Leaf, Set of 3

Few features of the human face illustrate a person's mood more than the mouth. With our Fashion Faces Wall Art Collection, there's no doubt a trio of emotions are passing across our fashionistas' profiles. The Fashion Faces Small Black and Gold Wall Art Set includes three decorative sculptures made of composite in a mix of black and bright gold finishes. These beauties with perfect bangs include smiling, pouting, and kissing wall sculptures. We also offer these sculptures as a set in gold and white, and in silver and white. Each of these pieces of decorative wall art reflects the ethos that Phillips Collection personifies: modern organic.
