

## CAIRN SIDE TABLE

White Stone

Cairns are man-made piles of stones that have been utilized to identify landmarks and important sites since time immemorial. The White Cairn Side Table by Phillips Collection table combines ancient form with a modern finish in a way that is sure to make it a landmark in your home. Cast in artisan-grade resin and hand finished in weather resistant white stone, this console will prove to be a rock-solid addition to any indoor or outdoor space.
