

## NOUVEAU CLUB CHAIR

Black, Stainless Steel Legs

With its mod profile, the Nouveau Black Club Chair is a throw-back to the swinging seventies with contemporary lines in its slim stainless-steel legs. Upholstered in a black fabric that makes it singularly chic, the chair is comfortable to sit in thanks to the way it cups the body and the rolled back that offers maximum padding. We also offer the club chair covered in mist gray fabric and in gray crushed velvet. These accent chairs reflect the ethos that Phillips Collection personifies: modern organic.
