

LOTTIE WALL SCULPTURE

Resin, Bronze Finish

The contemporary profile of the Lottie Bronze Wall Sculpture has a mid-century modern vibe. Made of composite in a bronze finish, the dark brown sculpture, which has a ruddy surface that makes it appear as if it has been forged from hammered metal, was designed by Raymond Waite. Like a graceful sentry, Lottie will bring panache to any room it rules. We also offer a table sculpture in ivory, bronze, white, silver, and liquid silver finishes, and as a wall sculpture in a silver finish. Pair it with our Lloyd sculpture in the same finish. Each of these reflects the ethos that Phillips Collection personifies: modern organic.
