

## LOTTIE WALL SCULPTURE

Resin, Silver Leaf

The contemporary profile of the Lottie Silver Wall Sculpture has a mid-century modern vibe. Made of composite in a silver leaf finish, the silver sculpture, which has a ruddy surface that makes it appear as if it has been forged from hammered metal, was designed by Raymond Waite. Like a graceful sentry, Lottie will bring panache to any room it rules. We also offer table sculptures in ivory, bronze, white, silver, and liquid silver finishes, and as a wall sculpture in a bronze finish. Pair it with our Lottie sculpture in the same finish. Each of these reflects the ethos that Phillips Collection personifies: modern organic.
