

PARROT LOOKING LEFT WALL ART

Resin, Silver Leaf

Just as whimsical as its live namesake, the Parrot Facing Left Wall Art has such an animated presence, it's as if it will burst into chatter at any moment. But this isn't an annoying bird, as it will stay silent as it serves as a pert decorative wall sculpture in any room. We also offer the parrot wall sculpture facing right. Pair them head-to-head and you'll be convinced you've started a kooky conversation! Made of composite in a silver leaf finish, each of these fun pieces reflects the ethos that Phillips Collection personifies: modern organic.
