

FEATHERS WALL ART

Large, Silver Leaf, Set of 2

Bringing Nature indoors is one of the elemental moves we are adept at making when we are designing our furnishings. With the asymmetrical shapes that emulate real bird feathers that have been thoroughly preened, our Feathers Large Silver Wall Art Set is made of composite in a luminous silver leaf finish. Arching toward each other, the decorative wall sculptures also vary slightly in size to create a textural installation that will bring beauty to any room. We also offer the silver set in a small size, and we have both the small and large sets in gold. Each of these sets reflects the ethos that Phillips Collection personifies: modern organic.
