

FROZEN ARM CHAIR

Beige Zebra, Plated Brass Frame

The Frozen Zebra Brass Arm Chair is one of our most popular dining chairs. With its zebra-print upholstery fabric and plated-brass frame, it is a shoe-in for both contemporary and mid-century modern interiors because we have tweaked the vintage profile to bring it seriously clean lines. Though it appears it could have been born in the swinging seventies, this is no disco-ball baby, as it was conceived by our design team in the 21st century. We offer a number of upholstery and frame finish options in this collection, and we have armless dining chairs in the mix. Each of these reflects the ethos that Phillips Collection personifies: modern organic.
