

WAVES PLANTER

Large

The design of the Large Waves Planter was inspired by the rippling patterns that the wind creates on the sand. These planters are made of composite, so they are long-lasting, lightweight, and durable. The off-white textured planter takes on the spirit of the stone and illustrates how contemporary materials can feel natural. The Waves Planter comes in small and medium sizes as well.

Size	35.5x35.5x43.5"h (36x36x45"h packed)
Weight	84 LBS (94 LBS packed)
Material	Resin
Finish	Stone Cast
Color	Off White
SKU	PH97024
