

## WAVES PLANTER

Medium

The design of the Medium Waves Planter was inspired by the rippling patterns that the wind creates on the sand. These planters are made of composite, so they are long-lasting, lightweight, and durable. The off-white textured planter takes on the spirit of the stone and illustrates how contemporary materials can feel natural. The Waves Planter comes in small and large sizes as well.

Size	31x31x29"h (35x35x33"h packed)
Weight	40 LBS (52 LBS packed)
Material	Resin
Finish	Stone Cast
Color	Off White
SKU	PH97025
