

WIRE TREE WALL ART

Rectangular, Metal, Black

There is something about the Wire Tree Wall Art family of metal sculptures that inspires thoughts of the circle of life. It's not only in the fluidity of the limbs but the overall composition, which was very hard won because each of the sculptures are crafted from ribs of thick metal that are welded together. The Rectangular Wire Tree Wall Art is beautiful as a stand-alone piece but even more dramatic when grouped in multiples or with the three sizes we offer in round. Each of these reflects the ethos that Phillips Collection personifies: modern organic.
