

WIRE TREE WALL ART

Medium, Circle, Metal, Black

There is something about the Wire Tree Wall Art family of metal sculptures that inspires thoughts of the circle of life. It's not only in the fluidity of the limbs but the overall composition, which was very hard won because each of the sculptures are crafted from ribs of thick metal that are welded together. The Medium Round Wire Tree Wall Art is beautiful as a stand-alone piece but even more dramatic when grouped in multiples, or with the other two sizes we offer in round or the rectangular version. Each of these reflects the ethos that Phillips Collection personifies: modern organic.
