ATLAS TABLETOP SCULPTURE

Freeform High Lift, With Base

The Atlas Lifting Wood Sculpture has a storied namesake. In Greek mythology, Atlas was the Titan god of endurance whom Zeus tasked with holding up the celestial heavens for eternity. The black figures extending from the black base on this sculpture, which support the organically shaped wood artifact, have as weighty a job as the mythical hero. With this sculpture, we've taken a piece of chamcha wood that would have been one of Nature's castaways and made it into an elemental design statement. Given with the minimal feel of this composition, the overall style is fitting for a number of interiors, including contemporary, modern farmhouse, and industrial chic. There are a variety of furnishings and accessories in the Atlas Collection that reflect the ethos Phillips Collection personifies: modern organic. We have three decorative sculptures in this series.

Size	**10x7x13"h (12x9x15"h packed)**
Weight	**5 LBS (8 LBS packed)**
Material	**Wood, Metal**
Finish	**Natural**
Color	**Black, Brown**
