

TRI LEAF WALL ART

Large, Metal, Silver/Black

The ethos of Phillips Collection is a deep appreciation for Nature and design. Case in point is the Tri Leaf Wall Decor series, which merges those two elements. Included in this family of decorative sculptures is the Large Tri Leaf Silver Wall Art in which we've captured the beauty of a leaf with the veining details but we've crafted it in metal. This is an example of the products we offer in which we give a hefty material the feeling it's as pliable as a real leaf. We offer the Tri Leaf in various sizes and finishes, which makes it perfect as a single accent piece or for hanging multiples in an arrangement.
