

ORCHID DRESS WALL ART

Metal, Copper/Black

Orchids are one of the most highly coveted ornamental flowering plants. They represent beauty and strength, and are often recognized as a symbol of luxury. Skilled artisans crafted our Orchid Dress Copper Wall Art, a stunning wall sculpture in metal in a copper finish with black accents. Not only are our orchid wall sculptures beautiful, they require no maintenance on your part. We also offer this sculpture in white, and we have single-orchid sculptures and sprays of orchids in different finishes. Each of these reflects the ethos that Phillips Collection personifies: modern organic.
