

ORCHID SPRIG WALL ART

Medium, Metal, White

Orchids are one of the most highly coveted ornamental flowering plants. They represent beauty and strength, and are often recognized as a symbol of luxury. Skilled artisans crafted our Orchid Sprig Medium White Wall Art, a stunning wall sculpture in metal in a crisp white finish. Not only are our orchid wall sculptures beautiful, they require no maintenance on your part. We also offer this sculpture in a smaller size and in a copper finish, and we have dress-shaped sculptures and single orchids in different finishes. Each of these reflects the ethos that Phillips Collection personifies: modern organic.
