

## ORCHID SPRIG WALL ART

Small, Metal, White

There is so much beauty and playfulness in Nature, which is one of the reasons we at Phillips Collection are inspired to draw from elemental motifs for our decorative accessories and wall art. This is the case with the Orchid Sprig Small White Wall Art that was rendered in metal in a white finish. It's a feat to create stems and petals that seem so delicate from such a strong material, and our artisans are quite adept at making our floral wall art so life-like. We offer Orchid Sprigs in several arrangements and finishes, each of which reflects the ethos that Phillips Collection personifies: modern organic.
