

ATLAS WALL DECOR

Rectangle, Black

The clean lines of the Posing Figure Wall Decor make this warm piece of decorative wall art a perfect accent for contemporary, modern farmhouse, and mid-century modern interiors. Abstractly rendered in metal in a bronze finish, the slim figure adds a whimsical accent to the reclaimed wood frame that also brings a textural appeal to a room. Powerful on its own, this piece of art can be combined with five other abstract figures, each playing its part within the cutout in the square wood wall plate. Each of these pieces of decorative wall art reflects the ethos that Phillips Collection personifies: modern organic.
