

CUBED COFFEE TABLE

Natural

The Cubed Coffee Table is so versatile, most interior styles will welcome it with aplomb. Made of wood that has been left to exude its natural beauty, the grooved wood coffee table sits atop minimalist legs carved from the same material. Thanks to the juxtaposition of pared-down lines and lively wood grains, the piece illustrates how dedicated we are to the Phillips Collection ethos of modern organic. We also offer this design as a stool.

Size	31x31x17"h (35x35x21"h packed)
Weight	210 LBS (260 LBS packed)
