

SWOOP WALL ART

Black Wood , Large

One look at the Swoop Wall Art and it's clear that creating drama with wood is in the Phillips Collection DNA. Uneven bands of wood are curved and wrapped around each other in an asymmetrical design that creates a powerful curved wood wall sculpture. We've hidden the hardware for the spooning slats to keep the overall lines of the hanging sculpture clean. We also offer the Swoop in small and large sized tabletop sculptures, each of which reflects the ethos that Phillips Collection personifies: modern organic.
