

## CHAINSAW WALL TILE

Burnt Black, Assorted

Though the texture of natural woodgrain is always a lively element in a room, carving into surfaces in a sunray pattern gives the material added oomph. Our Chainsaw family of products, which includes the Chainsaw Burnt Black Wall Tile, packs a punch with its distressed feel. Notice how the carved indentions flow from a central point, a detail that brings this wall art an industrial chic feel. Along with wall tiles, we have tables in the Chainsaw lineup, each of which reflects the ethos that Phillips Collection personifies: modern organic.
