

RECLAIMED OIL DRUM WALL DISC MOUNTED ON FRAME

Assorted Colors and Styles

The Framed Reclaimed Oil Drum Wall Disc is a circular wall disc set into a black frame. These are assorted so each piece will have a surface showing hints of the paint and decay the drums from which they were cut exhibited. Time and weather created a distressed feel that makes these reclaimed discs textural wonders in a space. An accent wall covered with these patinated decorative accessories will create a vintage vibe in a snap. This piece of edgy wall art reflects the modern organic ethos that Phillips Collection personifies. We also offer a single tile unframed and as a set of three.
