

HAND DIPPED PEARS

Set of 3

These decorative sculptures not only bring a brash texture to a room, they will be whimsical elements in a space thanks to their profiles that seem to be frozen in dance. There are three of the Hand-Dipped Multi-Colored Pears in this set, each of which is made of composite in a mix of brown and ivory finishes. The contemporary lines and unusual slant reflect the Phillips Collection ethos, which we call modern organic. We offer these decorative accessories in several finishes.
