## VINE WALL TILE

Vine, bark and branch – what used to be considered unusable parts of a tree are now used to create this lovely Vine Wall Tile. Phillips Collection actively collaborates with Thailand to source Green wood and use renewable resources. Made from vines that have been individually dried in a kiln and arranged by hand, the result is a collection of exquisitely unique pieces that excel in bringing the beauty of Nature into the household.

Size	<b>13x3x13"h (14x4x14"h packed)</b>
