

VINE WALL FLOWER

Ribbons of twisting wood have been mainstays in garden-room settings for centuries. With the Vine Wall Flower, we've taken the ornamental garden accessory out of the glass house and made it apropos of any room in the finely designed home. Install a gallery-wall grouping of them and watch as they tease a smile from anyone who comes upon them. We also offer the Vine in two sizes of decorative balls. Each of these creations reflects the ethos that the Phillips Collection personifies: modern organic.
