

## WOODEN MOON SCULPTURE

We've entered a new stratosphere with the Wooden Moon Sculpture that has an out-of-this-world level of personality. The fissures in the round wood sculpture are dynamic in a way that only Nature can achieve. Our talented artisans have sanded and polished it into its circular shape so that the woodgrain becomes the star. This piece truly reflects the ethos that Phillips Collection personifies: modern organic.

Size	62x9x102"h (66x26x71"h packed)
Weight	435 LBS (480 LBS packed)
Material	Chamcha Wood
Finish	Natural
