

## HOURGLASS SIDE TABLE

We at Phillips Collection are known for our furnishings in personable chamcha wood, a golden acacia that we responsibly source from the jungles of Asia. We have rescued the reclaimed chamcha wood pieces like the Hourglass Side Table from being one of Nature's finest castaways by making them into elemental design statements. One design distinction of note on this side table is the natural graining of the wood on the sides and the textural beauty of the rings on the top that illustrate the life of the tree. This round side table reflects the ethos that Phillips Collection personifies: modern organic.
