

## WIRE WING BUTTERFLY WALL ART

SM

The Small Wire Wing Butterfly Wall Art has been hand-carved from blocks of recycled wood by a single Thai artisan. By simply adding artful squiggles of metal wire, these blocks of wood are transformed into adorable pieces of wall art. It is remarkable how such mundane materials can be given such a lively personality by the vision of an individual expressing whimsy. The childlike charm of these creations makes them perfect for the Phillips Collection ethos of modern organic. We also offer this design in a medium size.
