

BLEACHED BIRD

Tapping into our playful side, we bring you the Bleached Bird Sculpture that is both alert and pert. The simplicity of its profile and its wire legs juxtaposed against the complexity of the woodgrains make this attentive bird an instant textural introduction to a space. It is small enough to fit on a library shelf but why tuck it away? Place several of them on a stack of coffee table books for a fun display. We have natural and charred versions that make it extra fun to mix the light and dark hues.

Size	11x3x10"h (13x5x12"h packed)
Weight	2 LBS (5 LBS packed)
Material	Wood, Metal
Finish	Natural
Color	Brown
SKU	TH77252
