

GINKGO LEAF WALL ART

9 Leaves, Silver

Irregular discs of metal have been transformed into modern representations of one of Nature's most personable elements in our Ginkgo Leaf Silver Wall Art. Because the shapes of the undulant leaves are only mildly reference, the lines of this sculptural piece remains clean. The circlets are mounted on a grid-like frame in a black finish. There are striations in the surfaces of each disc that bring added texture to a space, as does the fact that they arc forward slightly. This creation personifies the Phillips Collection ethos of modern organic.
