every piece a conversation

Shown in a stunning trio of framed shadow boxes, the Buddha Collection is crafted out of artisan grade resin with a bronze finish. Traditional Thai paper adorns the inside of the shadow boxes adding a decorative and cultural touch. Each Buddha is named by its pose and accompanying hand gesture. Each traditional pose has a significance related to an important event in the life or the past life of the Buddha. The Wednesday Buddha stands with arms holding an alms bowl signifying the virtue of giving.
