

BURLED SIDE TABLE

Forged Legs

The Makha Burl Wood Side Table is a traditional design with a hint of the exotic. Made of a reclaimed piece of burl wood that has been left to exude its natural beauty, the raw edge and the dramatic woodgrain make this accent table a true conversation starter. A design detail of note is the thinness of the forged metal legs, which contemporizes the design a bit. This exemplifies the Phillips Collection ethos of modern organic.
