

## CHASM COFFEE TABLE

### Burnt Edge

A chasm is a deep crack within the surface of the Earth. Formed from the shifting of tectonic plates, these natural wonders are one of Mother Nature's most beautiful brush strokes. The Burnt Edge Chasm Coffee Tables from Phillips Collection aim to mimic that feeling of awe and wonder from gazing down into the Earth's crust. Chasm Coffee Tables are also available in a natural finish, both of which represent the Phillips Collection ethos: modern organic.
