

## PAGES WALL TILES, ANTIQUED IRON, ASSORTED

Delicate like a sheet of paper blowing in the wind, this hand-sculpted metal wall tile exudes a soft texture that belies the sturdy material from which it is made. Finished in an antiqued silver patina, each Pages Wall Tile glistens in the light while creating dramatic shadows for a dynamic wall display. This wall sculpture, which is crafted from a sheet of iron, reflects the modern organic ethos that Phillips Collection personifies.
