

## DICE WALL ART

Chamcha Wood, Natural

Stir up some drama with the Dice Chamcha Wood Wall Art that holds a repetition of randomly shaped wood blocks. Each vertically hanging strand holds fourteen solid chamcha wood cubes in varying sizes, colors, and grain patterns to create texture and dimension on a wall. Create an arrangement of them along an accent wall for a more dynamic display or place one on a slim wall and you have an instant totem of style. These wood sculptures reflect the ethos that Phillips Collection personifies: modern organic.
