

WATERFALL BENCH

Natural

When simplicity of lines matter, the Waterfall family of benches and tables have clean profiles with ample personality thanks to the chamcha wood from which they are made. Finding texture, warmth, and contemporary shapes in one piece of furniture is no small feat, which makes this Waterfall Natural Bench special. We also offer the furniture in this collection in a gray stone finish that takes on an intricate pattern as it seeps into the woodgrain. All of the Waterfall products reflect the ethos that Phillips Collection personifies: modern organic.
