

GEOMETRY CONSOLE TABLE

Playing around with shapes is one of the main implements in our tool kit at Phillips Collection. In combining the deepest black and natural wood on slant, as we have with our Geometry Natural Console Table, we've created a sophisticated profile that brings organic warmth and contemporary cleanness to a space. The surface variations of the woodgrain also bring texture into a room. We have a wide array of shapes in coffee tables, console tables, and side tables in this collection, as well as tables in a gray finish, and stools and wall tiles. Each of these reflects the ethos that we personify: modern organic.

Size 48x12x32"h (50x14x34"h packed)
Weight 132 LBS (170 LBS packed)
Material Chamcha Wood, Iron
Finish Natural
Color Brown, Black
SKU TH85206
