

CHULETA ROUND DINING TABLE ON STAINLESS STEEL BASE

Gray Stone

The Origins Round Gray Stone Dining Table is made of reclaimed chamcha wood, which we have rescued from being one of Nature's finest castaways by making it into an elemental design statement. The fact that each piece is one of a kind means they will have beautiful imperfections that are unique to each piece. The style of this gray dining table with a brushed stainless-steel base is fitting for a number of interiors, including traditional, transitional, modern farmhouse, and industrial chic. There is an array of furnishings and accessories in the Origins Collection, which reflects the ethos that the Phillips Collection personifies: modern organic.
