

WIRE HORSE SCULPTURE

LG

Filled with whimsy, the Wire Horse Collection, designed by Thai artist Chin Clay, is completely hand-crafted and has his signature on every piece. The wood is reclaimed and the wire is recycled, which personifies the Phillips Collection ethos of modern organic. We offer a number of versions of this wood and metal sculpture that includes the Large Wire Horse Sculpture. We're certain there's one that will speak to almost anyone for adding a true conversation started to a space.
