

PEEK A BOO SIDE TABLE

Chamcha Wood, Ebony

At Phillips Collection, we are highly selective in the wood we source. Chamcha is a fast-growing species of the Acacia family and is native to Thailand. This playfully elegant side table is carved from solid wood with a decorative hole, and painted a matte black. We kept a freeform feel to the sides by not simply using straight cuts giving an organic feeling to this great piece.

Size	20x18x21" h (22x20x23" h packed)
Weight	132 LBS (162 LBS packed)
