

SHARK TOOTH SCULPTURE

Small, Gray Stone Finish

The Small Shark Tooth Sculpture is carved from solid wood in a Gray Stone finish that brings the wood sculpture a stone-like patina. By keeping the profiles of these gray decorative accessories clean, the oversized shark teeth sculptures look incredible when they are arranged in clusters, particularly when the small and large sizes are intermingled. Each of these exemplifies the Phillips Collection ethos of modern organic.

Size	9x9x48"h (11x11x50"h packed)
