

## WOOD ROUND STOOL

Assorted

Phillips Collection has a knack for releasing wild and unpredictable design statements, however, we also deeply appreciate the simplicity and beauty of our favorite material: wood. The Wood Round Stool is a celebration of the natural shape and color of earth's greatest monuments. Because wood is an organic material, your Wood Round Stool will be unique from the rest. These stools will vary in shape, size, and grain pattern; allowing you to select the stool that best represents you.
