TAI CHI WINNER SCULPTURE ON PEDESTAL

Gray Stone/Black

The Tai Chi Winner Sculpture celebrates the ancient form of Chinese martial arts that is practiced for defense training, health benefits, and meditation. There are four different positions in this family of wood sculptures, each carved from a solid piece of chamcha wood, an acacia species native to Thailand, that is finished with a special stone-like patina. They come affixed to their pedestals, which we have left in a dark brown finish for contrast. Each of these sculptures exemplifies the Phillips Collection ethos of modern organic.
