

ORIGINS BAR STOOL

Perfect Brown

Made of chamcha wood, the Origins Brown Bar Stool has a tremendous amount of personality due to the richness of its woodgrain. With exquisite craftsmanship, we have rescued the reclaimed chamcha wood from being one of Nature's finest castaways by making it into this elemental design statement. Because the wood for its back is reclaimed, there will be variations from piece to piece, including some with beautiful butterfly joints. We also offer this bar stool in a gray stone finish and a natural finish, and we have two counter stools in this collection. Each of these reflect the ethos that Phillips Collection personifies: modern organic.
