

FLOWER WALL ART

Mini, Copper, Metal

The lacy artistry of the Mini Copper Flower Wall Art will make an artful statement on its own or arranged on a wall in multiples. The floral wall sculpture, cut from metal and powder coated for a rich, lasting finish, has a filigree effect that will throw textural shadows on surrounding surfaces, which will evolve with the movement of the sun. If copper is not the perfect color for a space, we offer this extra-small floral wall sculpture in white. We also have larger, more complex floral profiles in white, blue, yellow, red, and ivory hues. Each of the offerings in this collection reflects the ethos that Phillips Collection personifies: modern organic.
