

CAT SCULPTURE

Large, Chamcha Wood, Burnt

It takes a magical mind to create animate personality with the simplest of profiles. The artisans who carved the Large Black Cat Sculpture have a delightful way of capturing the essence of the animal. With only the slightest angling of its back and the slant of its ears, the feline qualities are clear. The graceful cat sculpture with its charred finish and contemporary lines exemplifies the Phillips Collection ethos of modern organic. We offer this design in a natural finish.
