

## DRUM STOOL

Mango Wood, Gray Stone

The Drum Gray Stool is so versatile, most interior styles will welcome it with aplomb. Made of mango wood that has been given a gray stone finish, the stool will be easy to move around. Place it almost anywhere for a last-minute addition to a seating grouping, or pull it up to a sofa or club chair and it becomes a drinks table. Thanks to the juxtaposition of pared-down lines and lively wood grains, the piece illustrates how dedicated we are to the Phillips Collection ethos of modern organic. We also offer this design in several curved versions.
