

PRISM PEDESTAL

Small, Natural

The Prism Small Natural Pedestal is made of reclaimed chamcha wood, which we have rescued from being one of Nature's finest castaways by making it into an elemental design statement. The fact that each piece is one of a kind means they will have beautiful imperfections that are unique to each piece. The style of this wood pedestal is fitting for a number of interiors, including traditional, transitional, modern farmhouse, and industrial chic. There is an array of furnishings and accessories in the Origins Collection, which reflects the ethos that the Phillips Collection personifies: modern organic.
